Peronard

Paul.....just to let you know.....the last report (prepared by Peter Foreman) for Red River Supply Warehouse Fire....has a wrong date (I think)....it says the operational period is from 8/23 1900 hours to 8/25 1900 hours.....I was reading up on your site at 0700 hours this morning (8/25).... Maybe this was through 8/24?
